this is as good as it gets!

"Wisconsin College of Cosmetology has been a Resch Center Suite owner since 2006. We have occupied the suite for nearly every event. The concerts, shows and sporting events offer a wide variety of entertainment for the 100s of guests that I have brought up there. The suite is a first class venue on its own. I absolutely love having the suite: the food is fabulous, the staff is tremendous and the facility is second to none."
